

Kinesthetic | Herringbone Installation, colors 589 and 263

Facilities need carpet that performs better longer through smarter design. That's why Mohawk Group developed Get Smart, a high-performance carpet collection that provides total flexibility in planning, installing and caring for your floors.

Interdeco™

The Get Smart Collection consists of styles including: 24 x 24 carpet tile, 12 x 36 carpet tile and broadloom, with coordinating hard surface. The rectilinear patterns with organic overtones provide a smart look for all spaces in any configuration.

SMART PERFORMANCE Constructed with **Duracolor** fiber that delivers permanent stain resistance and unsurpassed colorfastness, Get Smart guarantees your carpet will perform. And with **EcoFlex®NXT** tile backing and **Unibond® Plus** broadloom backing you also get a sustainable product that's easy to install.

SMART TIMING With styles stocked for **Quickship**, you can order up to 2000 square yards and have it delivered in 10 business days or less.

MERGEABLE DYE LOTS Carpet tile products feature fully coordinating patterns and color variations that allow the merging of different dye lots over time, for ultimate flexibility in flooring design and installation.

- Install tiles from any dye lot
- No need to purchase large quantities of attic stock
- Easy replacement of tiles at any time
- Readily available for future renovation or expansion
- Random/multidirectional install method recommended for optimal results

See Mergeable Tile Guidelines on the Tech Services tab of www.mohawkgroup.com to ensure optimal appearance/results.

Chilled Check | Broadloom Installation, color 589

Write Direction | Half Lap Installation, color 589
coordinating with Matuto LVT, colors 555 and 959

Named for the Filipino word meaning “teacher,” Matuto is a high-performance resilient tile that offers a stylish, cost-effective alternative to VCT and allows for design creativity in the toughest commercial environments.

MATUTO

GLOBAL ENTRY COLLECTION

CONSTRUCTION The contemporary design and 12" x 24" tile size of Matuto offers creativity and flexibility for a wide variety of installation methods.

PERFORMANCE The 20 mil commercial wear layer coated with M-Force™, a ceramic enhanced urethane finish, provides durability and cleanability with a no-polish option that allows for cost-effective maintenance.

COLOR Specifically designed to coordinate with Mohawk Group’s color bank, Matuto’s full range of neutrals and brights works perfectly with many of our carpet collections.

Colorways available in 12" x 24" tiles

		
646 Green Grass	555 Blue Night	453 Vivid Violet
		
353 Red Hot	252 Outrageous Orange	121 Unmellow Yellow
		
123 Barely Beige	133 Totally Tan	858 Bronze Blast
		
378 Chocolate Bar	976 Blackout	959 Grey Granite
		
927 Sonic Silver	926 Agreeable Grey	915 Frostbite

ColorBeat

Solid, all loop textured tile available in 48 colors.
Select colors also available as 12x36 plank.
Install as a border, inset or accent tile.

duracolor[®]

FOREVER STAIN FREE

The performance standard for every application, Duracolor fiber is forever stain free, forever sustainable and forever beautiful, guaranteed*. Carpet is easy to maintain with inherent stain resistance and water-only stain removal.

FOREVER STAIN FREE

- Permanent built in protection
- Resists 99% of all stains
- Passes the GSA Test Method for stain resistance: AATCC Test Method 175
- Duracolor Warranty: We guarantee it

FOREVER SUSTAINABLE

- Made with 30% recycled content: 25% pre-consumer & 5% post-consumer
- No Chemicals required: 96% of all common stains clean with just water
- Declare Red List Free: Duracolor fiber is Declare red list free in accordance with the Living Building Challenge

- Lasts Longer: Product life is extended, reducing the impact to your bottom line and to the environment
- Recyclable through Mohawk's ReCover Program

FOREVER BEAUTIFUL

- Available in more than 300 colors
- Unsurpassed colorfastness to light and atmospheric contaminants so colors won't fade
- Unmatched design flexibility without compromising color retention or stain resistance
- Proven track record of success over the past 20 years

Installation Instructions: To achieve best results across multiple dye lots, install using Multi Directional (random) method only.

Mohawk Group

Mohawk Industries, Inc. warrants its adhesives for the life of the original installation only when a Mohawk Industries style (product) is installed. Mohawk's floor preparation procedures must be followed to ensure that the substrate has been prepared properly. Failure to use Mohawk Industries adhesives or to follow Mohawk's floor preparation procedures will void all lifetime adhesive warranties. Please contact your local Sales Representative for installation guidelines.

These patterns contain inherent characteristics which may result in pattern run off and/or pattern appearance variations at the seams or tile edges (darker or lighter pattern lines). These characteristics are inherent in the patterns and are not manufacturing defects. Consideration to these characteristics should be given when selecting an installation method.

Chair pads are recommended under office chairs with roller casters to preserve appearance retention, act as a deterrent toward delamination and to prevent premature or accelerated wear. Walk-off tiles from the Tuff Stuff II Collection are recommended at entryways to reduce soiling.

Duracolor by Mohawk Stain Resistant System passes GSA requirements for permanent stain resistance. Under GSA requirements stain resistant carpets must score no less than 8.0 (10.0 is best) on the AATCC Red 40 Stain Scale. Carpet samples must first be exposed to 100 revolutions of the Taber abrader (1,000-gram weight per H-18 wheel) and then the abraded area must be stain tested using AATCC tested using AATCC test method 175.

Mohawk Group is providing this architect folder for the purpose of promoting our commercial business. This folder and its samples shall remain the property of Mohawk Group. Color may vary from dye lot to dye lot. Substitution of material may be made due to improved technology, supply limitations or other factors. The performance of this product is not affected by such variations.
